### *Lakeway Regional Medical Center's 1 Year Anniversary Celebration*

Lakeway, TX (April 26, 2013) – Lakeway Regional Medical Center (LRMC) would like to invite the community to please join them in celebrating their first year serving the Hill Country community, on Saturday, May 4<sup>th</sup>, from 11am-3pm. The public is encouraged to park in the parking garage located next to the hospital. Security will assist with guest parking during the event.

The event is free and opened to the public. LRMC's Executive staff and Directors will be cooking and serving food to everyone. There will be a Kids Zone with inflatables, balloon twisting, snow cones, and much more. Many local businesses in the community will have booths on site with activities and giveaways to take part in.

Live entertainment will be provided throughout the event. Guests will receive promotional giveaways and have an opportunity to win door prizes that have been provided by local businesses.

“After several years of strategic planning, hard work and perseverance to pursue patient excellence and service, we are very excited and pleased to invite the community here and thank them for their support in the growth and success of their community hospital,” said Scott McElwee, Sr. Director of Business Development.

In their first year of operation, LRMC has served over 11,450 patients, performed 717 surgeries, 465 heart catheterizations, delivered 156 babies, and have taken over 10,500 x-rays. Lakeway Regional Medical Center continues to devote itself through improvement, professionalism and innovation in all that they do and look forward to serving their community for many upcoming years.

#### *About Lakeway Regional Medical Center*

*Lakeway Regional Medical Center brings experience, advanced technology and best practices to provide high-quality care for patients. Since opening in April 2012, LRMC has been providing comprehensive, compassionate and modern medical treatment. As a full-service hospital with board-certified physicians, LRMC manages everything from emergencies to outpatient procedures. Ranked among the top 10 percent of hospitals nationwide by Healthstream, an independent research company for outpatient services in 2012.
