

Lakeway Regional Medical Center Announces New Management Team

Experienced Leadership to Pave New Path Toward Success

LAKEWAY, Texas – (July 21, 2015) – The board of directors of Lakeway Regional Medical Center today announced a new management team to work alongside recently appointed Chief Executive Officer, Philippe Bochaton. The new management team includes: Lisa Hoffpauir, Chief Administrative Officer; Kyle Johnson, Chief Financial Officer; and Denise Krajewski, Chief Nursing Officer.

Lisa Hoffpauir joins LRMC as Chief Administrative Officer with over twenty years of management and leadership experience in the healthcare industry developing, evaluating, and improving the operations of physician-centric and non-profit teaching systems. Previously, Hoffpauir served as the Vice President of Operations at Surgical Development Partners in Nashville, TN since March of 2006.

Kyle Johnson brings an extraordinary amount of financial and analytical experience to LRMC as the new Chief Financial Officer. Johnson has worked in all aspects of both finance and accounting within hospitals and outside of healthcare. Johnson is credited with overhauling archaic financial reporting systems thereby improving efficiency and accuracy of financial results and analysis. Previously, Johnson served as the Vice President of Finance and CFO at River Valley Health Partners in Ohio.

Rounding out the management team is Denise Krajewski who will serve as Chief Nursing Officer for LRMC. Krajewski has over 15 years of experience in the CNO for many hospitals of all sizes throughout the United States. Most recently, she served as CNO of Forest Park Medical Center in Austin. In addition, Krajewski has served as Chief Nurse Executive for a healthcare system and managed the nursing operations in 8 hospitals.

“I am very proud of the incredible team we have brought together as each has such broad and deep expertise in health care,” said Philippe Bochaton, CEO of Lakeway Regional Medical Center. “As a management team, we are committed to delivering the highest quality of care and patient satisfaction and will work diligently on making this vision a reality.”
