New CEO Announcement for Lakeway Regional Medical Center

Lakeway, TX (August 4, 2014) — The Board of Managers of Lakeway Regional Medical Center (LRMC) is proud to announce that Susan MacLeod, FACHE, has been appointed as the new Chief Executive Officer for the hospital. Ms. MacLeod brings more than 30 years of healthcare experience to LRMC with strengths in strategic leadership, business development, physician relationships and project management. Her depth of knowledge in healthcare markets, executive leadership, and focus on providing quality patient care is in keeping with the mission and vision of the hospital.

“We are very excited to have Susan MacLeod join the LRMC team,” states Dr. Eckert, LRMC Board Member. “The fact that she is an Austin resident and she has a very strong background in physician relationships showed me that she was the best fit for this hospital. We couldn’t be happier to welcome her to the community.”

In the last decade, Ms. MacLeod has had numerous senior leadership positions including Chief Executive Officer and Chief Operational Officer roles. MacLeod states that she sees the hospital as continuing to be a “viable part of the community and that we will continue to provide the highest quality of care and strive for excellent patient outcomes.”

About Lakeway Regional Medical Center

LRMC’s medical campus is located in Lakeway, Texas, less than 20 miles from downtown Austin, and specializes in physician-provided services that meet the needs of our community. LRMC is a state-of-the-art medical campus dedicated to the delivery of world-class healthcare. LRMC provides services in emergency medicine, family practice, cardiology, cardiothoracic surgery, radiation oncology, general surgery, gastroenterology, women’s health, infusion therapy, diagnostic and therapeutic radiology, respiratory, physical therapy and sports medicine, occupational therapy, speech-language pathology, and pain management. Ranked among the top 10 percentile of hospitals nationwide by Healthstream, an independent research company for outpatient services in 2012.
