Patients Take the Driver's Seat by Launching Patient Portal

Lakeway, TX (August 28, 2014) - Lakeway Regional Medical Center (LRMC) has launched an exciting new service, the FollowMyHealth Patient Portal, which will provide patients easy access to their health information. The patient portal is an innovative tool that allows patients to take a proactive role in managing their health care. FollowMyHealth will allow patients to:

- Review parts of their medical records online in a safe, secure environment
- View test results, lab results, and/or a summary of the hospital stay
- Home medication plan

Access to FollowMyHealth is available twenty-four hours a day from any computer, tablet, or smartphone.

LRMC encourages all patients to sign up for the FollowMyHealth Patient Portal during the admission process in order to take advantage of all the useful features it has to offer. Become a part of the future of healthcare today!

For more information or to register for your personal, secure account, visit www.lakewayregional.com.

About Lakeway Regional Medical Center

LRMC's medical campus is located in Lakeway, Texas, less than 20 miles from downtown Austin, and specializes in physician-provided services that meet the needs of our community. LRMC is a state-of-the-art medical campus dedicated to the delivery of world-class healthcare. LRMC provides services in emergency medicine, family practice, cardiology, cardiothoracic surgery, radiation oncology, general surgery, gastroenterology, women's health, infusion therapy, diagnostic and therapeutic radiology, respiratory, physical therapy and sports medicine, occupational therapy, speech-language pathology, and pain management. Ranked among the top 10 percentile of hospitals nationwide by Healthstream, an independent research company for outpatient services in 2012.
